Vinayak Kashid (Founder - Director)
Unique Agri Solutions Pvt Ltd.

Mr. Vinayak Kashid 37, a leading Indian name in the field of agriculture, is Founder - Director of the Unique Agri Solutions. Under Mr. Kashid the group has promoted various influential projects including joint ventures with leading corporations.

Mr. Vinayak Kashid has 12 years of experience in governance and has held senior positions in decision making capacities in practically all sectors-the developmental, social and agricultural. Under Mr. Kashid's leadership the group is currently engaged in implementing project of over 6000 Hectare in India.

Mr. Kashid is a visionary, who has been a light of beacon for hundreds of farmers who have been struggling for proper guidance. He has already trained 10000 farmers across the country on the proper implementations of the organic fertilizers.

Mr. Kashid also provides guidance to the farmers from Indian Live Television Shows, FM Radio, Electronic Media & other promoting activities like Social Networking, Seminars, Magazines, etc.

Under his guidance the company plans to expand its reach to 17000 hectares of developed land. Mr. Kashid strongly believes in the development of the farmlands under organic fertilization as it is the only way with which we can ensure the future development of these lands.

Mr. Kashid currently lives in Malad, Mumbai, Maharashtra, India & enjoy exploring, farming, training & volunteering in his spare time.
